Here are some summer ideas to prepare you for third grade:

1. Read a book a day or at least 15 minutes daily. It is a good habit to start!
2. Keep a summer journal. You can write about your vacations, daily events, poems, stories, letters, etc.
3. Practice your addition and subtraction facts daily. You'll need to be quick in third grade!
4. Most importantly, have a wonderful and safe summer!

We can't wait to see you in September!

Sincerely,

Your Third Grade Teachers
