3rd and 4th Grades

Thursday, March 21, 2019
(*Snow Date: TBD*)

6:30 p.m. until 8:00 p.m.

CALLING ALL STUDENTS!

Hey **Kids**, it's that time again! Time for **YOU** to create a science project and put on your thinking hats!

- You may work together with friends, classmates, or on your own.
 - Note: If you are participating in a group project, please state the names of friends/classmates on the signup form (<https://goo.gl/C8ZXvE>).
 - One form per group is acceptable.
- Projects must fit a desk size space. Students are strongly encouraged to create their own displays with minimal help from grown-ups.
- **Please keep messy stuff on trays. Flames/fire will not be allowed. Experiments with Borax will not be allowed.**
- Doors will open at 6:30 p.m. sharp for project setup. Please note we cannot let anyone in early as aftercare does not end until 6:30 p.m.
- **Submit your registration by Friday, March 1th, 2019.**
 - To be considered for the science fair, please send in your registration as soon as possible. We will send a confirmation email to your parents by the second week in March. There is a limit of 100 students per night.

The class with the most projects will get a **Pizza party!** Spread the news to your classmates! Encourage them to sign up for an individual or group project!

There is also an award for the 4th grade students who have previously participated in at least three Science Fairs at WRS. Students will receive the award the night of the event.

If you have any questions, please contact: Mona Desai and/or Pallavi Sreeram (sciencefair.wrsha@gmail.com)
